

In the Specification:

On page 1 of the original specification, please replace the first paragraph in the section entitled "Incorporation by Reference of Material Submitted on a Compact Disc" with the following amended paragraph:

The invention disclosure includes, by incorporation by reference in its entirety, the computer program listings in the computer program listing appendix, this listing comprising source code for the invention contained on one original and one duplicate compact disc. Each compact disc contains a first uncompressed, PC-Compatible rich text format file entitled "Expert Engine Code.rtf" created on March 26, 2004 of 89 kilobytes, and a second uncompressed, PC-Compatible rich text format file entitled "Expert Interface Code.rtf" created on March 26, 2004, of 58 kilobytes.
